The committee is compiling a list of participants with addresses, telephone numbers, and email addresses if we have them. The purpose of the list is to enable the College of Agriculture to keep retirees up to date with relevant information about the College and the University, and for retirees to keep in touch with other retirees and former coworkers. The list will not be distributed to others. With your permission, we plan to share this list with Reunion attendees.

Permission?  Yes ___   No___.   If yes, please include:

Home phone _____________________________________________
Cell phone ______________________________________________
Email address ___________________________________________

If you have access to email, is it satisfactory for the Reunion Committee to send information about the Reunion via email?   Yes ____ No ____.
